Let Us Appreciate (Isapuso Mo)

Activity No. 3: Listen to the song Pilipinas Kong mahal of Francisco Santiago.

Answer the following questions.

1. What do you feel after listening to the song?

I felt the patriotism to our beloved country through this song. I can feel the hardwork of the Filipinos during tough times like during the World War II.

2. Why do you think the composer wrote the song?

He wants to remind us that we shouldn't lose our patriotism in our own country as many people nowadays idolizes other country's beliefs, tradition, and products. The main reason that he composed this song is to boost the morale of the Filipinos in guirella warefare during the World War II against the Japanese.

3. If you had a chance to talk to the composer. What will you ask and why?

If I had the chance to ask a question to the composer, I would ask if he himself would volunteer to the war as an action to patriotism to our country after composing it. Not only would this boost the morale of Filipino soldiers but also inspire them to act attentively and serve our country.
